	<u>Agenda Item</u>	<u>Action</u>
12/15	<b>2. Declaration of Interest</b> – no declarations received.	
	<p><b>3. Planning Applications</b></p> <p><b>a) 15/03527/FUL amended</b> – erection of 3x2 bed flats to rear and 1x2 bed dwelling to front with associated external works at 4-6 Andover Road, Ludgershall SP11 9LZ.</p> <p>Amended plans regarding parking at this site had been requested from Development Control Engineer, Wiltshire Council as there were concerns that vehicles would not be able to turn without excessive manoeuvres. Also considerable alterations were made to the design of the coach house building. The committee object to this application on the following: -</p> <ul style="list-style-type: none"> <li>• The alterations to the coach house design do not blend in with existing dwellings within this conservation area.</li> <li>• The cycle store has been moved to front of building open to the public which could lead to crime.</li> <li>• New layout of parking spaces is considered unusable as it would require excessive manoeuvres &amp; restricted visibility splays to drive out onto the busy A.342 Andover Road.</li> </ul>	
	There being no further business to discuss the meeting closed at 7pm.	
	<b>Addendum-</b> a site visit by the Development Control Engineer on Thursday 2 <sup>nd</sup> July 2015. The Town Council was advised there are still issues with the amended plans regarding highway issue.
